AND EMERGENCY DEPARTMENT TREATMENT**

1. Consent for Care and Medical Treatment: I am known to be suffering from a condition requiring diagnosis and medical treatment, and/or cosmetic or reconstructive procedures; therefore, I consent to the procedures which may be performed during this hospitalization or during outpatient surgery, outpatient services, behavioral health services, including emergency treatment or services in the Emergency Department, and which may include, but are not limited to laboratory procedures, x-ray examinations, medical or hospital services rendered to me under the general and specific instruction of my personal physician or his or her consulting physicians.

I understand that several of the Resurrection Health Care (hereinafter, "RHC") facilities have hospital residency programs. I do hereby consent to medical treatment rendered by resident physicians as may be requested by my personal physician or his or her consulting physicians. I also understand that RHC facilities employ house physicians who are available to provide for medical care from time to time when my personal physician is physically unavailable to be present to provide for my care. I hereby consent to medical treatment rendered by these physicians as may be requested by my personal physician or his or her consulting physicians.

I am aware that the practice of medicine or surgery is not an exact science, and I acknowledge that no guarantees have been made concerning the results of the proposed treatment.

I authorize my physicians to discuss my medical conditions with the agents and employees of the hospital or facility, and with his or her consulting physicians, in the furtherance of providing me health care. I waive any physician patient privilege.

2. Legal Relationship between Facility and Physician: I acknowledge, agree, and understand that any and all physicians who provide care to me during my visit to the facility are INDEPENDENT CONTRACTORS and are NOT AGENTS, SERVANTS, OR EMPLOYEES OF THE FACILITY, except and only those who have explicitly and clearly identified themselves as hospital or facility employees, either orally or by wearing of an identification badge with the name Resurrection Health Care.

I acknowledge, agree and understand that the facility is not responsible for judgment or conduct of any physician who treats or provides professional services to me, but rather each physician is an independent contractor who is not employed by the facility, except and only those who have explicitly and clearly identified themselves as hospital or facility employees, either orally or by wearing of an identification badge with the name Resurrection Health Care.

The facility has entered into agreements with physicians and independent groups of physicians to provide services to the facility. I acknowledge, agree and understand that the facility uses these independently contracted physician groups to perform specific services (such as radiologists, pathologists, anesthesiologists, neonatologists and others) for the facility and its patients. The physicians and physician groups have been permitted to use the facility for the care and treatment of their patients.

3. Physician Billing: I acknowledge, agree, and understand that each of the physician or physician groups who render professional services to me bill and collect independently for their services. I understand that their bills will be separate and apart from the facility's billing.

4. Acknowledgement: My signature below constitutes my acknowledgement and agreement that I read and understand the above, was given the opportunity to discuss this form and ask questions, that all questions were answered to my satisfaction, and I am satisfied I understand the form's contents and significance.
